

# Valley Bonsai Society

Web Site: [www.valleybonsaisociety.com](http://www.valleybonsaisociety.com)

## MISSION:

To encourage and equip each other as we share a common interest and enjoyment of Bonsai and to encourage others to explore this art form.

## WHAT IS THE VALLEY BONSAI SOCIETY?

Founded in February 2008 by Charles Harder, this organization was established to create a group of local Bonsai enthusiasts with all level of expertise. Many of us started by taking one or more of Charles's classes, some received a plant as a gift and some had been struggling on their own. We currently have some people with extensive collections; some have trained trees as long as 50 years and some are still trying to get a tree to survive 50 weeks.

## MEETINGS

The club meets at Alden Lane every third Saturday of the month at 2:00PM. Everyone is welcome!
