WHAT IS THE VALLEY BONSAI SOCIETY?

50 weeks.

Founded in February 2008 by Charles Harder, this organization was established to create a group of local Bonsai enthusiasts with all level of expertise. Many of us started by taking one or more of Charles's classes, some received a plant as a gift and some had been struggling on their own. We currently have some people with extensive collections; some have trained trees as long as 50 years and some are still trying to get a tree to survive

MEETINGS

The club meets at Alden Lane every third Saturday of the month at 2:00PM. Everyone is welcome!

NEWSLETTER, EMAIL LIST AND WEBSITE

An email list is maintained to release announcements and send out an electronic newsletter. Please send a request to be added to (or removed from) this list via e-mail to Charles Harder (bonsainut@comcast.net). We have a website! Visit us at www.valleybonsaisociety.com

MEMBERSHIP

Membership is open to anyone who shares an interest in the ancient oriental horticultural art of Bonsai. The annual dues are \$30 a year for an individual or \$40 for couples. If you'd rather not pay for a membership, you have the option of paying \$5.00 per visit. If you have questions regarding membership or would like to join, please contact Bea Bauerly (bb1727@att.com)

NOVEMBER MEETING

Our November meeting was spend discussing activities and topics for next

year's meetings. From soil discussion, to carving, to tree selection, 2017 is shaping up to be an informative year. I will get the calendar up on our website soon. And for those who missed the meeting, Bea brought in a very confused Forsythia.

DECEMBER MEETING

Instead of our regular December meeting, we will have our annual Christmas lunch. This year, change of venue, it will be at Armadillo Willy's. If you are planning on going, I hope you have already responded to Bea, as she is making the reservations.

UPCOMING EVENTS

February 19 - 20, 2017 Oakland, California

GSBF Bonsai Garden at Lake Merritt: The annual Mammoth Auction and Sale Fund Raiser will be held at 666 Bellevue Ave. (Garden Center Building). Saturday: Auction preview at noon with Auction starting at 1 PM. Sunday: Vendor Sales start at 9 AM, Plant Sales start at 10 AM, and demonstrations at 1 PM. The date for this year's event is a week earlier than in the past to let attendees and vendors participate in both the Mammoth and the Bonsai-a-Thon. You are encouraged to submit your bonsai for consideration to be included in the Mammoth Auction as soon as possible. Items will be considered on a first-come-first-considered basis. The Bonsai Garden will be open 10 AM to 4 PM on Saturday and Noon to 4 PM on Sunday, so you can check out the many changes that have been made this year. For more information or to sell trees, email bonsailakemerritt@gmail.com and visit www.gsbf-lakemerritt.org.

SENPAI CORNER

The sun is lower in the sky this time of year, so to avoid most of the growth being on one side of your tree, remember to rotate your trees exposing all sides evenly. Also, since it appears that we are starting to get some rain, watch the moisture levels in your pots, either not enough water in your pot or pooling, which can be helped with a small block of wood under one edge. As the leaves fall from your trees, this is a great time to study the future of your trees and decide which branches you want to keep and which ones you want to eliminate.

ELECTIONS

Positions on the Board are still available. Please contact Bea if you are interested.

TIDBITS

Renewal time is upon us. See membership above for dues info.
